

INTRODUCING EAST COAST ROAST

CRE8IVE COFFEE IS REBRANDING TO EAST COAST ROAST

Our customers tell us the brand needs a refresh, and we agree. Being 100% locally owned and roasted, with a 20 year history on the Gold Coast, we want the brand to represent what we are about. Modern and fresh, something that reminds people of the Gold Coast.

BLEND S AREN'T CHANGING

Our coffee recipes and blends won't change at all, we'll just refresh the branding - coffee bags, umbrellas, barriers etc and keep doing what we do - fresh, locally roasted coffee, supplied to you, no more than 3 weeks after roasting.

COMING IN DECEMBER

The rebrand will start rolling out in December. If you have a strong Cre8ive presence at your venue, we'll be in touch about the right timing for you.

If you have any questions, feel free to contact Maurizio (Mo) at mo@cre8ivecoffee.com.au, or Dan, Jess or Erin in the office hello@cre8ivecoffee.com.au.
